

REMARKS

This amendment is filed under 37 C.F.R. 1.312, per the instructions of Examiner Noguerola in his telephone message of June, 9th 2004, and substitutes formal drawings for the informal drawings presently on file. The formal drawings, as shown in the attached copy in red, correct the reference to element 60 in Figs. 3D and 4 pursuant to the Examiner's comment at page 2 of the Office Action of July 7th, 2003. Further the formal drawings include section lines in Fig. 5A so that the figure conforms with Fig. 5. Absolutely no new matter has been added.

The Applicant respectfully requests the formal drawings be entered.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,

James A. Blanchette
